### The Value of Your Eye Glasses

Men not in the fact that they represent so much merchandise.

Eye glasses which do not correct the eye faults in YOUR eyes are WORTHLESS to YOU, and your glasses are worthless to ANOTHER PERSON.

So you see the REAL VALUE of glasses depends upon the SKILL of the MAN who FITS them.

There are HUNDREDS of possible lens combinations, but ONLY ONE is EXACTLY RIGHT for you.

MY BUSINESS is to apply the principles of Optometric Science to determine the exact refractive condition of YOUR EYES and adapt the proper lens combination to give perfect Vision without strain.

### ANOTHER BUILDING FOR PRESBYTERIAN SANITARIUM

Board of Ministerial Relief  
Contributes Ten Room Cot-  
tage and its Maintenance to  
Growing Institution.

The immediate addition of another handsome building to the rapidly growing Presbyterian Sanitarium of Albuquerque is announced by Rev. Hugh A. Cooper, pastor of the First Presbyterian church, to whose efforts the building of this institution here is largely due.

The latest building will be a ten-room cottage, planned along lines similar to the McCormick cottage, donated to the institution last year. The building is contributed by the board of ministerial relief of the Presbyterian church, which board also will maintain the cottage without expense to the institution. It is to be devoted to Presbyterian ministers who are victims of tuberculosis. The construction of the new cottage is to begin at once. This building will bring the total investment in the Presbyterian Sanitarium close to \$100,000.

## NOTICE

The two Albuquerque daily papers are glad to favor Albuquerque churches and lodges by publishing notices of services and meetings free of charge. Notices of entertainments, lectures, recitals, teas, etc., which are given for the purpose of making money, however, will be charged for at regular advertising rates? Where an admission is charged or a collection is taken, whether mention of the fact is made in the notice published in the paper or not, the papers will charge for the notices.

## DIAMONDS At Actual Wholesale Cost

A year ago, before the tariff went into effect, we bought DIAMONDS very largely in anticipation of the expected boom. The boom is coming, but rather than have our money tied up in diamonds we have resolved to offer them during month of April at wholesale cost for cash. It is useless to quote prices on diamonds as their worth depends on the color, cut and purity of the gem. But if you want a DIAMOND and want to buy it cheap, we believe we can convince you that this is your opportunity. In the fall you will pay at least ONE THIRD MORE than you can now buy them for. Every diamond we have, and we have some very fine ones, is included in this offer. A deposit will reserve any diamond we have until May 1st at which time this special sale will end. Diamonds are always advancing in price and we could make money by holding them, but we have decided to let them go. A money return guarantee will be given upon request.
